

From Initiative to Institution: Anchoring Across the Whole School

This worksheet supports you in embedding a sustainability practice across your entire school, using the Whole Institution Approach as a guiding framework. It invites you to reflect on how your initiative aligns with key focus areas, helping to ensure a cohesive and meaningful implementation. Not every section needs to be completed—prioritize what is most relevant and valuable in your context.

Title of your Sustainability Practice:

Focus Area	Current State	Planned Actions	Responsible Person(s)	Timeline	Evaluation Method
1. School Values & Communication					
2. Partnerships & Networks					
3. Team Dev. & Lifelong Learning					
4. Teaching & Learning					
5. School Community & Participation					
6. School Premises & Facilities
